Arizona Breakfast Club  
NOTICE

September 2, 2021

We held our first meeting at our new location on August 28, 2021. The room seems to be quite acceptable for our group. I hope that those who attended are in agreement that the room will work well for our meetings.

I believe that most of you understand that finding a meeting location that is willing to tie up their meeting/banquet room for 3 hours on a Saturday is not easy. For this reason I must address what is required for us to continue to use the facility:

1. We must have sufficient orders for food and drinks to make the use of the room profitable for the restaurant.
2. Everyone **MUST** order something. If you don't then please donate enough funds to the Arizona Breakfast Club to equal the amount of a normal breakfast/lunch cost. (\$20.00 or more).
3. Leave a Substantial Tip! The wait staff serving our group is tied up with the group for most of the time we are present at their facility.
4. If you do not plan to lay out \$20.00 or more to attend the meetings, then please stay home and watch the video when I post it. (assuming we continue to have meetings!)

In order for us to continue to use the facility, we must have a total of the restaurant purchases of at least \$500.00 or "I" will have to make up the difference.

I don't believe that this is unreasonable given the environment today. So, please plan on having a decent meal and spending the money necessary to keep our meetings going. We will plan on having everyone order and eat for the first hour beginning at 11:00 AM. The program will begin at noon and we must be finished by 2:00 PM so that we have time to clean up and vacate the room within an hour.

I hope this is understood. If the Arizona Breakfast Club is a worthwhile organization and you find the speakers and information worthy of support, then please take this information and act upon it accordingly. If we do not have the support to cover the costs, we will have to cease having our meetings.

Thanks,

Terry Major
